NEWEST TRG LEADERSHIP TOOL

"Practical Means for Dealing with Difficult Times"

This section of our site features business tools and planning considerations designed to assist leaders for whom "just keeping up" is not good enough. These notes focus on sequences of thought and action intended to enhance the positioning of your group, both on a long and short-term basis.

Each week additional sets of Tools on a wide array of business subjects will appear. Your input is requested as to which Tools might be of interest to you. Requests will NOT create any form of obligation on the Reader who makes the suggestion, but will help us understand which subjects are of general interest.

Please check back weekly to review the next tool. Visit our [LEADERSHIP TOOLS ARCHIVE](#) for previous tools.
